

ASTRO

Electric Fireplace

MULTIZONE COLORFLOW

Astro lets you fill the room with colours you love. Bring your personal style to the fireplace by customizing colours of 3 separate zones: flame, glowing floor and logs illumination.

NATURAL LOOK

Resin logs and vivid crystals bring the most spectacular look to the fire.

WARM UP YOUR HOME!

Astro introduces a built-in electric Heatflow System. Set the desired room temperature and the fireplace will keep you warm. You can also use the timer function to automatically turn off the fireplace at specified time.

YOU DESIGN!

Astro comes with two side panels to cover one or two sides of the firebox and give it your desired look. Astro can be also closed in an optional casing - perfect especially for wall-mounted and freestanding arrangements.

REMOTE & WALL SWITCH

Take full control over the fireplace with the intuitive and minimalistic remote and wireless Wall Switch panel.
